Budget estimates of the Kegsore city municipality for the year 1923-24

From

The President, Kegsore city Municipal Council

No CO Dated 30.7.23 Received 1.8.23

Diary No 5391	Enclos 1 Spare Copies	Serial No 27

BRIEF ABSTRACT OF LETTER

Submits for sanction a copy of the resolution of the Municipal Council proposing that the original allotment of Rs 56,353/- made in the draft budget for 1923-24 under "Repairs, Public Works" may be restored for expenditure in connection with the coming visit of H.E. the Viceroy in November next and that the rates of annual contributions from P.W.D. and ~~other~~ other departments for the maintenance of Provincial and Sub-urban roads passing through the city may be proportionately raised in view of the rise in wages of all labourers and prices of materials.

NOTES AND ORDERS

1 - AUG 1923

OFFICE OF THE PRESIDENT,

CITY MUNICIPAL COUNCIL, MYSORE.

Dated 30th July 1923.

FROM,

RAJASABHABHUSHANA DIWAN BAHADUR,
C SRIKANTESVARA AIYAR, B A, B L,
PRESIDENT, CITY MUNICIPAL COUNCIL,
MYSORE

To,

T.E. Jayaram Iyer, Esq., B.A , B.L.,
Secretary to the Government Of His
Highness the Maharaja of Mysore,
(Revenue Department),

---- Rl 167-22 — 27

SIR,

In continuation of my letter No 2 dated the 11th July 1923 regarding certain modifications made in the sanctioned budget estimates of the Municipal Council for the year 1923-24, I have the honour to state that the subject was again considered by the Municipal Council in their meeting held on the 28th July 1923, and they are of opinion that the original allotment of Rs 55,353 made by the Municipal Council under "Repairs, Public Works" for expenditure during 1923-24 is indispensable, more especially in view of the approaching visit of His Excellency the Viceroy and Governor-General of India in November next I have therefore to request that you may be so good as to move the Government to accord sanction to the restoration of the full allotment of Rs 55,353 without its being curtailed,

2 The Municipal Council have also resolved in this connection to request the Government to raise proportionately the rates of annual contributions from Public Works Department and other departments for the maintenance of provincial and

sub-urban roads running through the City in view of the considerable rise in wages of all labour and prices of materials, since the rates were fixed several years ago and for much narrower roads than now extant in this Capital The present contribution of about Rs 11,000 to the Municipality is hardly enough to meet half the charges of annual repairs of these important roads, and it is but fair that the rates of contributions should now be revised so as to fit in with the present cost of labour and materials I have therefore to request that you may be so good as to place the subject before Government for their consideration and orders.

Copy of Municipal Council's Resolution No III dated 28th July 1923 on the subject is herewith submitted for reference.

I have the honour to be,
Sir,
Your most obedient servant,

President

Proceedings of the 3rd (Ordinary) meeting of the City Municipal Council, Mysore, held in the Panchacharlu Memorial Hall on Saturday the 28th July 1923 at 4 P.M

Present.

III. Government Order No L.7761-62/M1.167-22-6 dated 28th May 1923 sanctioning the Budget Estimates for the year 1923-24 with certain observations, with an explanatory Note on the Subject

Resolved that Government be requested to restore, for reasons given in the explanatory memo, the original allotment of Rs.55,353 made by the Municipal Council, under "Repairs, Public Works" for expenditure during 1923-24, which is indispensable, more especially in view of the approaching visit of His Excellency the Viceroy and Governor- General of India in November next.

Resolved also to request the Government to raise

9

proportionately the rates of annual contributions from D P W. and other departments, for the maintenance of provincial and suburban roads running through the City in view of the high raise in prices of all labour and materials, since the rates were fixed several years ago and for much narrower roads than now extant.
